Tender Title: Supply and Installation of Solar-Powered Water Purification Units

Tender Reference: MSME-WRU-2026-014

Issuing Authority: District Rural Development Agency, Maharashtra

Issue Date: 05 November 2026

Submission Deadline: 30 November 2026, 17:00 IST

1. SCOPE OF WORK

---

The successful bidder shall supply, install, test, and commission ten solar-powered water purification units for rural schools. Each unit must provide a minimum treatment capacity of 1,000 litres per day and include installation, operator training, and twelve months of maintenance support.

2. ELIGIBILITY REQUIREMENTS

---

2.1 The bidder must be registered under the Micro, Small and Medium Enterprises Development Act, 2006, or provide equivalent registration evidence.

2.2 The bidder must have completed at least three comparable water-treatment or solar-powered installation projects during the previous five years.

2.3 The bidder must have an average annual turnover of at least INR 50,00,000 during the last three completed financial years.

2.4 The bidder must provide a valid GST registration certificate and a current Permanent Account Number (PAN).

2.5 The bidder must not be debarred or blacklisted by any central government, state government, public sector undertaking, or government agency.

3. TECHNICAL REQUIREMENTS

---

3.1 Each unit must use a solar photovoltaic system with a minimum rated capacity of 2 kW.

3.2 The purification system must achieve a minimum of 99 percent reduction in suspended solids and must include a replaceable filter assembly.

3.3 The bidder must provide a two-year warranty covering manufacturing defects and installation defects.

3.4 The bidder must complete delivery and commissioning within 90 calendar days of receiving the purchase order.

4. REQUIRED DOCUMENTS

---

The technical bid must include:

a. MSME registration certificate

b. Three comparable project completion certificates or work orders

c. Audited financial statements or certified turnover statements for the last three completed financial years

d. GST registration certificate and PAN

e. Signed non-blacklisting declaration

f. Technical datasheet for the proposed purification unit

g. Warranty and maintenance plan

h. Project implementation schedule

5. EVALUATION

---

Technical compliance will be evaluated before commercial bids are opened. The authority may request clarification or additional evidence. A bidder must meet all mandatory eligibility and technical requirements to proceed.
